

Phishing Attack Alert!!!

Several links followed by note / and or information message circulate on the Internet and social networks (WhatsApp, Facebook ...) informing you of the 46th anniversary of the **RAMCO** Supermarket and offering the opportunity to earn money by answering certain questions.

No ongoing survey is currently being conducted by **RAMCO**.

This is a **phishing cyber attack** aimed at collecting your personal information such as your first and last name, email address, phone number and even your bank account number.

Tip 1: Please do not click on or share the link.

Tip 2: If you clicked on the link and followed **all the instructions** on the site, please report it on the site <https://cert.tg/> in the "report an incident" section and fill out the form.

Tip 3: Before giving this personal information on a site, check the level of security of the site by the presence of a padlock (green or closed) or a triangle (green). As a general rule, avoid giving personal information on sites whose connection you have not initiated.

Tip 4: If you become aware afterwards that it is an insecure site and you have shared the link with others, please inform them not to click on the link.

Tip 5: In the future when you encounter this type of message followed by link, go directly to the official website of the company first without clicking on the link to check if the message is right.
