[Warning, do not click on the link]

No ongoing survey is currently being conducted by the **company Total** for a grant. This is a **phishing cyber attack** aimed at collecting your personal information such as your first and last name, email address, phone number and even your bank account number.

Tip 1: Please do not click on or share the link.

Tip 2: If you have clicked on the link and followed **all the instructions** on the site and **notice suspicious activity** on your phone, please report it on the site <https://cert.tg/> in the "Report an incident" section and fill out the form.

Tip 3: Before giving personal information on a site, check the level of security of the site by the presence of a padlock (green or closed) or a triangle (green). As a general rule, avoid giving out personal information on sites where you did not initiate the connection.

Tip 4: If you realize afterwards that this is an unsafe site and you have shared the link with others, please inform them not to click on the link.

Tip 5: In the future when you encounter this type of message followed by link, go directly to the official website of the company first without clicking on the link to check if the message is right.
